

Graphic Artist

VMS, Inc. is in search of a graphic artist to assist with the development of production art - OEM graphic products such as labels, overlays, packaging and fascia decals. Products must be built with 100% accuracy based on supplied dimensional blueprints. Knowledge of the printing industry (Analog and Digital) would be preferred. Must be self-motivated, work well with others and be able to handle multiple projects under deadline pressure. Duties would include design for OEM, sign, garment, marketing, and vehicle graphics. Web experience would be also useful but not required. The ability to communicate and work directly with customers on projects is a must.

We are looking for someone proficient in the Adobe Creative Cloud (Photoshop, Illustrator and InDesign. Corel Draw) experience preferred or at least the ability to learn the software quickly as it is our primary design and prepress tool. Knowledge with OneVision is a plus.

Monday – Friday work schedule. In-office.

Education requirement: Degree in Graphics Art and Design or qualifying experience.

Visual Marking Systems offers a compensation structure of competitive wages, comprehensive benefits, profit sharing and vacation plans. Company subsidized dental, medical, prescription and life plans plus optional disability plans. Health Savings account, Flexible Spending and 401(k) plan.
