

Visual Marking Systems (VMS), an industry leader in high performance printing and custom graphic design services, is seeking Material Handlers for our 2<sup>nd</sup> Shift (Mon-Thurs., 4:30pm-3:15am). Located in Twinsburg, OH, VMS has over 50 years' experience in serving customers from a variety of industries. We create custom decals, overlays, POS/POP displays, nameplates, vehicle graphics, and more. Beyond just a printer, VMS offers a wide range of services from customized graphic design to graphics installation. Feel free to visit our website at [www.vmsinc.com](http://www.vmsinc.com) for more information.

The Material Handlers work within our Shipping/Receiving Dept and play a vital part to our production process. VMS is seeking candidates with 1-2 years Shipping/Receiving/Warehousing experience, along with experience in a manufacturing environment. We are also willing to train the right individuals who wish to start a career in the custom screen print industry.

**This is a second shift position, consisting of four 10-hour shifts/week:**

- **4:30pm to 3:15am, Monday – Thursday.**

The job entails the following duties:

- Receives, verifies, and stocks incoming shipments and materials.
- Issues inventory control tag for received materials.
- Establishes and maintains on-hand stock for specified clients.
- Assures timely shipment of customer release orders.
- Performs product shipment packaging per customer requirements and insures safe shipment with professional appearance.
- Operates postage and related equipment in compliance with freight carrier requirements.
- Completes all required paperwork related to product shipment.
- Confirms compliance with customer shipping requirements.
- Ships out-going products in compliance with internal ERP system requirements.
- Maintains work area as prescribed in accordance with company standards.
- Notifies department supervisor of any/all product's non-conformance and any/all equipment abnormalities.
- Completes all records and forms in accordance with company standards.
- Is certified to safely operate a tow motor.
- Is physically fit and able to lift 25 - 75lbs boxes on regular basis.

We seek candidates with **one to two years' experience** in screen printing or other types of UV ink printing (flexo, litho, etc.). Ideal candidates will be creative, self-motivated, and will possess exceptional work ethic, a quality-based consciousness, and a good attendance history. Positions require uncompromising attention to quality and the ability to work within a fast-paced environment. Physical requirements include standing for extended periods and occasional lifting of 25-75 lbs.

VMS offers a very competitive salary with **signing bonus of up to \$1,000.00**; heavily subsidized health, dental, vision, life, and accident & disability insurance; 401K plan with company match; and profit sharing. VMS operates a clean, safe, climate-controlled environment/facility (air conditioning) for our dedicated and talented team!

**Start a rewarding journey with VMS! Apply today.**

Job Type: Full-time

Pay: \$16.00 - \$19.00 per hour
